Go to the PALS Online homepage at www.palsk8.com.

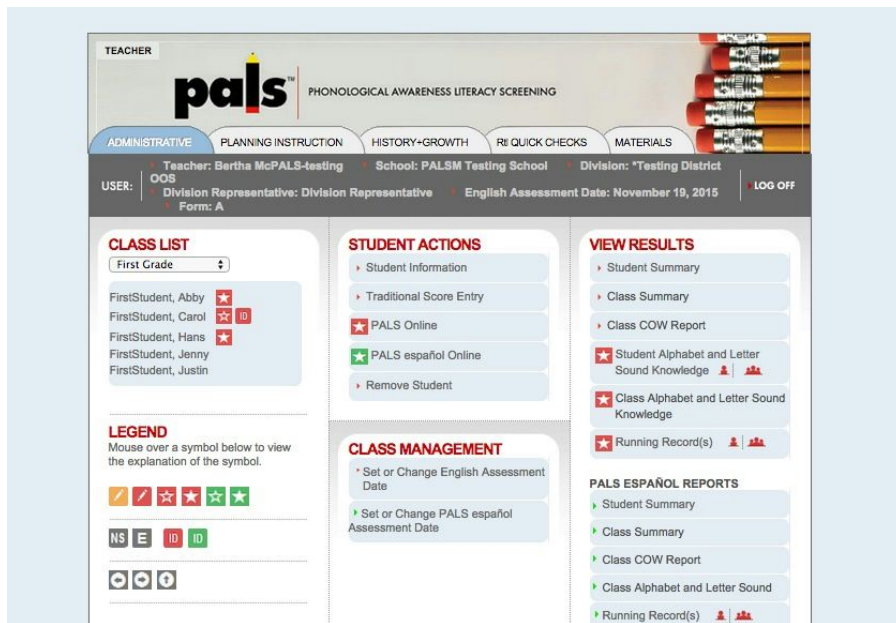

Click the login button as a returning user. This will take you to the new PALS/CaseNEX login page.
If you're a new user, you'll need to contact a school administrator or district administrator to create your account first.

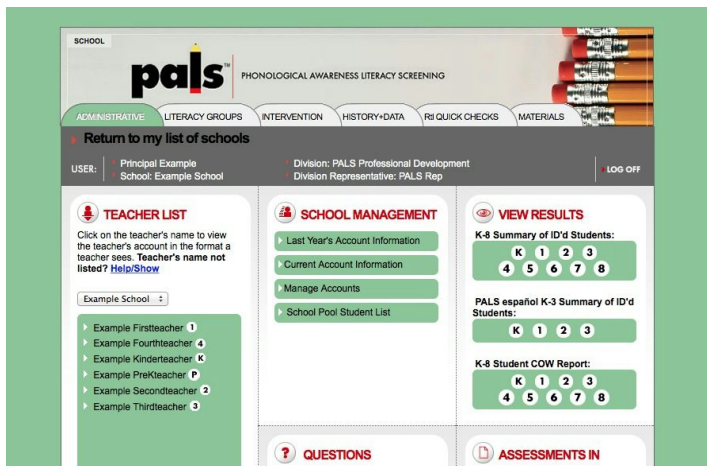

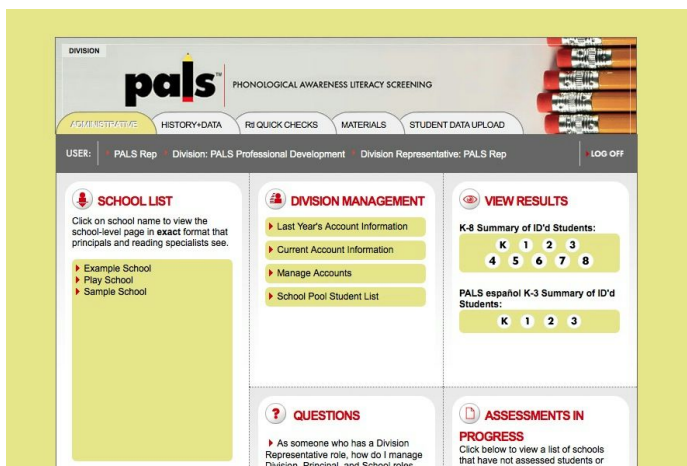

The login page has a new look! Sign in by entering the same email address and password that you used last year. If you like, you can reset your password using the “Forgot your password?” link.
